

To Whom It May Concern:

On August 26, 2019 the student leaders of Arise Campus ministry adopted the following welcome statement:

As an ecumenical and federated community of faith, Arise Campus Ministry affirms our belief in Jesus Christ and thus welcomes all, shares God's universal love and compassionately lives out our faith on campus and in the community. We welcome, affirm and celebrate all people regardless of race, nationality, gender, gender identity, sexual orientation, physical or mental ability, faith history, life experience or any other labels others try to use to marginalize people. We, the board of Arise Campus Ministry, staff, and student leaders renew our commitment that Arise is and will be a Jesus loving organization, living as Christ lived by welcoming all people into community, relationship and discipleship. This includes access to the same care and spiritual guidance in the journey towards faith formation, baptism, leadership and marriage.

A handwritten signature in black ink, appearing to read "Andrew S. Ensz". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Andrew S. Ensz
Ministry Director
Arise Campus Ministry
